## Facilitate Codependency Groups

- Learn to guide participants to life-changing transformation, not just receiving the information.
- Learn about the 12 Key Milestones of recovery.
- Learn of the church's response to codependency and why every church should respond.
- Learn to facilitate groups that engage in healthy dynamics that create safe places to share.
- Learn God's plan to heal and restore the whole person, and entire families from the effects of codependency and enabling.

## What is "Family & Friends Edition?"

- A Christ-Centered Ministry to those affected by codependency with loved ones in addiction.
- A guide through the 12 Steps of God's Plan.
- Helps people to heal from, and change destructive relationship patterns that actually contribute to an addicts destruction, not healing.
- Ten video sessions with a workbook companion.
