

The Better Place MINISTRIES

Resourcing, Encouraging and Equipping the Church since 2003

**A Prayer Summit for:
PASTORS, MINISTRY LEADERS, AND THEIR SPOUSES -
ALSO INTERCESSORS ARE INVITED**

Monday – Wednesday, 02-04 February 2015

From noon (and lunch) on Monday through the lunch meal on Wednesday

WHAT IT IS: *This Prayer Summit is a life-changing worship and prayer experience attended by a diversity of pastors, ministry leaders, and their spouses, plus intercessors. This takes place over a three day period. The purpose is to seek God, God's Kingdom and God's righteousness with the expectation that God will guide us through a humbling, healing, uniting process which will lead us into unity of heart, mind and mission, and will qualify us for the blessing of God!*

A Prayer Summit is **a time to connect** with others who have a heart for prayer and community transformation, **a time to learn** what God is doing in our region, **a time to hear God's strategy** for our region and **a time of healing and refreshment**. Come expecting to connect with God through worship and through prayer. Come expecting the Spirit of God to be our guide. There will be designated times when all participants are together in one place for worship, prayer or teaching. There will be other times when we divide unto smaller groups for prayer ministry. There will be blocks of “free” time and, of course, there will be meal times together.

INTERCESSORS: Experience at previous Prayer Summits has taught the importance of having prayer warriors on-site making intercession for the pastors, ministry leaders and their spouses while they pray. In other words, we have people praying for the people who are praying. The effect of this is that our spiritual ears become many times more acute and the power of the whole experience multiplies exponentially. Therefore, **we offer an Intercessors' track** at the Prayer Summit. Intercessors will sometimes pray in a separate location from the other participants but will usually join everyone for meals and for the evening worship and communion. – The cost of the Intercessor Track is set as low as possible because the intercessors are there to “work” on behalf of the others.

PREPARATION and EXPECTATIONS: It is expected that you will arrive prayed up; having asked God to meet us and to have His way, and having asked your congregation to pray for us throughout the Summit. Many participants choose to fast for a day (or more) for the Summit prior to coming to the Summit. This we do not require but we do encourage it. – Some participants may be tempted to leave for a few hours or a night to attend to other business but it is expected that all participants will be at and remain at the Summit site for the full duration of the Summit. The full blessing of the Summit is not realized if one comes late, or leaves early, and therefore every participant is urged to set these three days completely aside from other scheduled activities.

The Summit will be facilitated by Roy Miller. At present, brother Roy is the Director of The Better Place, Inc. For 22 years he served as a senior pastor and then for 6 years he served as a district superintendent for the United Methodist Church. He has organized and facilitated Prayer Summits both regionally and State-wide dating back to 2000.

We have invited Dennis Brown, the Director of Healing Rooms in Charlotte, NC to join us at this Summit to do some teaching based on 2 Corinthians 10:3-5. Dennis was recently present at the “CPR Pastors’ Prayer” gathering in Jamestown, NY where his spiritual insight and testimony was enlightening and motivational as the pastors prayed.
