Speaker: Susan Colwell

"Who am I, Lord and who are you?" a question often asked by Susan Colwell, September's featured speaker for *Women of EnCOURAGEment*.

Over 23 years ago, Susan's life dramatically changed when she spiritually came alive. With many broken pieces, Susan came to a new-found faith that would heal her marriage and set Susan on an unshakeable course. Since that time, her life has not been the same and she has experienced so many of God's richest blessings.

With her husband of 30 years, Dan, 4 adult children and 9 grandchildren, plus 1 more arriving soon, Susan treasures faith and family. She and her husband spend winters in Florida and summers on the lake in Ashville enjoying family in both areas.

Since she retired as Executive Director of St. Susan Center Soup Kitchen in Jamestown (she certainly had the right name to hold that position), she has continued to pursue the calling on her life to affect change around her.

With a passion for women to know God more intimately, she is currently writing two books, [The Secret Dance of a Woman](#) and [How to Pray to Change the World Around You](#).

Prayer and the Word of God are her lifeline. She has learned through personal experience that prayer changes people, places and things! Her favorite saying: "Life is a hiccup but eternity is forever." Come and join us as we link arms and hearts to receive yet one more encouraging testimony from Susan Colwell, our Woman of Encouragement!!
