Comments:

---

*Please give us enough input to determine the best way to use you in the school. Remember, you will always be in a setting with those experienced in this ministry who will be happy to help you in every way. You will learn more by stretching yourself and trying than you will by holding back, but only you know when you feel ready, and we want to honor that.*

- 7) First time APMS participants are guaranteed a personal ministry session. Others will be ministered to if the dynamics of a particular School allow. If possible, would you be interested in a time of personal ministry for yourself?

---

(Remember, this does not mean that you will have a ministry time.)
